Shaw Convention Center, Ottawa, Canada, August 25- 29, 2025

Theme: “Pathway and Partnerships for Future after 30 years”.

This is a historic gathering for over **700 Social Development Organisations** (including NGOs, Indigenous Peoples, people with disabilities, people of African descent, youth representatives, youth-led organizations, community-based organizations, faith-based organizations, academic institutions, representatives of workers and employers, and the private sector, etc) **to connect, share, unite, and collaborate, advance and amplify advocacy efforts to contribute in shaping an inclusive global social development agenda for equitable and shared prosperity.**

The aim is to (1) **Facilitate Dialogue:** Provide a platform for NGOs to discuss shared priorities and challenges in preparation for the Second World Social Summit. (2) **Strengthen Collaboration:** Foster partnerships and build networks among civil society organizations to ensure unified and impactful advocacy at the global level. (3) **Launch The Ngo Coalition Common Space:** Officially introduce and operationalize a digital and physical platform for stakeholder engagements, collaboration, resource sharing, and policy development. Civil Social leaders will draw attention to **pressing challenges** and set the stage for shaping the new social development ecosystem. This gathering will be more substantial and full of hope, complementing the **“Second World Social Summit” outcome in Qatar, 4-6 November 2025.**
